

Addiction 101

Understanding addiction and recovery

About the workshop

Blueprint for Learning training reflects a philosophy of recovery and empowerment using best practice to help people become full and active members of their communities.

Our workshops use adult education principles, with a variety of activities, videos and teaching tools to cater for different learning styles of participants. In addition, our expert facilitators bring a wealth of professional and personal experience to the topics covered.

Participants will receive a workbook with Addiction 101 notes, additional reading, a directory for support and assistance, and access to a post-workshop e-learning module to assist them to apply what they have learnt.

This workshop is fully funded by the Ministry of Health; there is no cost to participants.

“ I have found the workshop excellent and I have a more informed awareness of addiction”

Learning outcomes

After attending Addiction 101 participants will be able to:

- use Te Whare Tapa Whā to understand addiction and recovery
- recognise signs of addiction
- relate brain and body responses to addiction
- respond supportively to people experiencing addiction.

“ I have learnt strategies to engage with people about addiction issues and ways in which I can maintain my own wellbeing while doing so”

The impact is worth it

Addiction 101 is designed to increase awareness and reduce stigma associated with addiction – both at work and in everyday life. It also provides valuable skills on how to look after your own health and wellbeing.

Delivered face to face or by webinar, Addiction 101 workshops positively impact on the lives and futures of individuals and organisations, as well as our communities.

Across the year, across the country

Addiction 101 can be delivered anywhere in New Zealand, at your place or ours.

We can accommodate up to 24 participants in each face-to-face workshop (9.00am to 4.30pm) or webinar series (over three sessions). Individuals can register to attend a community workshop in your region or for a webinar series through our website.

Blueprint for Learning can run Addiction 101 for a specific industry or workplace as either a face-to-face workshop or webinar series. We will work with you to understand your industry and the people who will be attending to ensure examples are relevant to your workplace.

Co-facilitation

The workshop is co-facilitated by someone who has lived experience of problematic substance use and other behaviour, and someone who has clinical experience working in addiction services. This is a powerful way to explore stigma and discrimination which demonstrates that recovery is possible.
