Dear [REDACTED]

### **YOUR OFFICIAL INFORMATION ACT (1982) REQUEST HBDHB REF: OIA2021126**

I refer to your Official Information Act request partially transferred to district health boards by the Ministry of Health on 22 September 2021 where you requested information from Hawke's Bay District Health Board (HBDHB). Your questions and HBDHB's response is provided below:

***A breakdown by DHB showing how many nurses had completed the online ICU training module for nurses by August 17, and also now (most up to date figures available).***

Hawke's Bay District Health Board interprets your question as referring to the NZ Critical Care Pandemic online modules that went "live" to all DHBs on Friday 27 August 2021.

This training module is a component of Hawke's Bay DHB's COVID resurgence training plan with expected rollout from October 2021 onward following commencement of an educator.

I trust this information meets your needs. If you would like any further information or clarification please phone me. If you are not satisfied with this response you may contact the Office of the Ombudsman, phone 0800 802 602.

Please note that this response, or an edited version of this response, may be published on the Hawke's Bay DHB website after your receipt of this response.

Yours sincerely
