Hawke's Bay Fallen Soldiers'  
Memorial Hospital

Hawke's Bay District Health Board Maternity Services are delighted to have the opportunity to showcase their 2017 Maternity Services Annual Clinical Report.

This is a fabulous educational half day workshop for all clinicians with a maternity and paediatric focus. This varied and interesting workshop involves guest speakers and interactive learning, with presentations, floor discussions, and panel question and answer sessions. Your input will influence our way forward.

All midwives, nurses, doctors, and other health professionals are welcomed and encouraged to attend. As places are limited, registration is required, so be quick to ensure your place! Go to <http://www.ourhealthhb.nz/health-services/hawkes-bay-maternity/> to register. An afternoon tea will be provided.
